WAYPOINT MARKS.

Waypoints may be used as marks. If so, Rule 28 will be amended accordingly in accordance with the RYA / RORC Guidance – "Racing Around Waypoints" See website for details

Evidence of rounding the "virtual" mark must be taken and may be requested by the Race Officer. This evidence may include:

- Photographic (iPhone or similar) evidence of the yacht's GPS showing its position at the mark.
- Yacht's chart plotter track showing the yacht rounding the "virtual" mark. This must be transmittable to ISORA by email.

The onus of proof of having rounded the WAYPOINT mark will be with each yacht.

Avery Crest YB TRACKER

Boats entered in the race will be fitted with the Avery Crest YB Tracker. The Skipper will have to sign an indemnity to cover the replacement cost of the unit in a situation that the unit gets lost or damaged.

The units can be collected from Peter Ryan at the Marina on Saturday 26th August at 08.45 or by agreed special arrangement in the start area immediately before the race.

In order to set up the units all boats who are entered must declare that they are racing by 12.00 on Thursday 24th August. This declaration is a text to +353 87 2545037 stating that "Boat name" will be racing on Saturday. This is critical for the efficient running of the tracking system.

The trackers must be returned to Peter Ryan in NYC as soon as possible after the race.

The tracking can be followed on the YB Tracking app for iPhones and Android. On downloading the app, the "ISORA Avery Crest 2015 Series" is purchased. This will give the purchaser full access to all races in the Series. ISORA will benefit from the sale of this app.

Any queries relating to the Avery Crest Trackers should be dealt with by contacting Peter Ryan +353 87 2545037.
